**AVMA STATEMENT**

Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations. When traveling with your dogs, you should always have copies of their rabies vaccination certificates.

**ATTENTION EXHIBITORS!**

These trials will be held in a livestock facility. It is possible that there could be livestock in pens adjacent to the ring and crating areas. If livestock are present, we will try to put a blind between the animals and the ring to minimize visual distractions. If your dog is not under reasonable control around livestock, you may not wish to enter these trials. The ring will be defined by rebar posts and a rope. Dogs need to be under reasonable off-leash control since these ropes do not provide a solid barrier around the ring.

**ENTRY PROCEDURE**

**Entries must reach the Trial Secretary by 6:00 PM on September 1, 2010.** This club is using the "first received" method for limited trials. These trials are limited to **550** total runs on Friday, Saturday, and Sunday. Entries must be mailed by regular U.S. Post Office mail.

**No Special Delivery Services or hand deliveries will be accepted.** All entries must be sent via US Post Office mail with any signature requirements for priority or express mail waived, with not more than 10 entries per envelope. Fees must accompany all entries. Make all checks payable to SWAT. Exhibitors are responsible for complete, accurate, and legible information on their entry forms. A returned check will invalidate an entry and a \$20 service fee will be charged. No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, acts of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. There shall be no refunds for entries in the event a dog and/or handler are dismissed from competition, regardless of the reason for such dismissal. A withdrawal from the trial after the closing date due to an injury and/or illness to the dog will be eligible for a refund up to 75% of the total entry fee paid. A veterinarian's notice of injury or illness will be required for a refund. Bitches which come in season after the closing date will be eligible for a refund up to 75% of the total entry fee paid. No other refunds will be offered.

**Faxed, telephoned, unsigned, or incomplete entries cannot be accepted.**

Entries must be on official AKC entry forms. Photocopies of forms are acceptable as long as the "Agreement" is attached. No entry shall be made and no entry shall be accepted which specifies any conditions to its acceptance. Entries cannot be accepted, canceled, altered or substituted after the entries have closed except as provided for in Chapter 11, Section 6, of the Dog Show Rules. Changes, additions, or corrections to entry forms must be received in writing or email by the Trial Secretary prior to the close of entries. Those received by telephone are not acceptable.

**ENTRY FEE**

Entry fees are **\$15 for each run per dog**, regardless of the number of classes entered (includes the AKC \$3 recording fee for each class).

## HOTELS/MOTELS THAT WILL ACCEPT DOGS

Please use [www.dogfriendly.com/server/travel/guides/us/usstateNM.shtml](http://www.dogfriendly.com/server/travel/guides/us/usstateNM.shtml) or other websites to help direct you to pet friendly hotels. The Weimaraner Club of Albuquerque and Southwest Agility Team do not have affiliations with any specific hotels/motels. When making reservations, we recommend that you inquire as to the hotel/motels current dog policy and possible pet fees, pet deposits, smoking room use only, weight/size/number limitations, etc. It has been our experience that hotel management changes frequently as does a particular hotel/motel's policies regarding pets. All vehicles with generators turned on must be parked at least 50 feet from the arena during show hours. No dumping of holding tanks, gray water, or sewage on the trial grounds or parking lot is permitted.

**Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form.**

#### **NEW Simplified Jump Height Card Process**

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

#### **How do I know if I have a valid jump height card?**

**If your dog is under the age of two years as of the trial's date:** One (1) temporary measurement is required. Once measured, be sure to retain the Agility Measurement Form yellow copy and check "My dog has a **Temporary** Jump Height Form" box, otherwise your dog needs to be measured. If your dog turns two years of age or is older as of the trial's date, your temporary measurement expires on their 2nd birthday and your dog needs to be measured.

**If your dog is the age of two years or older as of the trial's date:** A minimum of two (2) permanent measurements are required. If both permanent measurements place your dog into the same jump height class, the AKC office will issue you a permanent card. If not, then a third measurement is required to determine the dog's jump height class. Until such time that you have received all required measurements for a permanent jump height card, check the "My dog needs to be measured" box. Upon arrival at the trial, you must check to see if there is a Volunteer Measuring Official and/or an Agility Field Rep. present to perform official measurements. If not, and you possess a yellow copy of the Agility Measurement Form from a previous measurement, then your armband may be picked up during Check-In in lieu of being measured by the judge of record. Once you have received your permanent card from the AKC office, check the "My dog has a **Permanent** Jump Height Card" box on all future entry forms.

**Exception to the 2 permanent measurement requirement:** If your dog measures over 22 inches at the withers, you have the option of selecting the "Over 22" Reqst Perm" box at the top left corner of the Agility Measurement Form to receive a permanent jump height card from AKC after a single measurement. If you do so, please also sign below the checkbox. By doing so, you are giving up your right to have a 2nd measurement performed on your dog in the future; however, you are not giving up your right to have the challenge measurement process performed in the future. Once you have received your permanent card from the AKC office, check the "My dog has a **Permanent** Jump Height Card" box on all future entry forms.

#### **What if my dog measures into a different jump height then what he is entered?**

If your dog has been measured by an AKC Field Representative or Volunteer Measuring Official (VMO) and is now eligible to jump in a lower height class, the measurement is effective immediately including any runs (regular or preferred class) which have not yet occurred on the same day that the measurement is recorded. This immediate action does not apply to measurements taken as part of completing the challenge measurement process. Dogs who measure into a higher jump height have always been required to be moved immediately.

#### **May I challenge my dog's jump height card measurement?**

Yes, each dog may go through the challenge process once after the age of two (2) years, if requested by the owner. (Any dogs under the age of two (2) years are also eligible for a challenge measurement.)

#### **What is the jump height card challenge process?**

The jump height card challenge process replicates the original measurement steps. A minimum of two (2) challenge measurements are required. If both challenge measurements place your dog into the same jump height class, then you will be issued a new permanent card from the AKC office. If the two challenge measurements place the dog in different jump height classes, then a third challenge measurement is required to determine the dog's jump height class.

Until such time that you have received all required challenge measurements, you must continue to compete at the original jump height stated on the permanent jump height card that is in your possession.

**It is the sole responsibility of the exhibitor to have their original, official jump height card or temporary jump height form at each trial to present upon request. Additionally, if a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running. *Regulations for Agility Trials, Chapter 2, Section 4.***

**A new section has been added to the entry form whereas the exhibitor shall designate whether their dog needs to be on the Club's *Dogs To Be Measured List* by simply checking one of the three available options:**

- **My dog needs to be measured**
- **My dog has a Temporary Jump Height Form**
- **My dog has a Permanent Jump Height Card**

**If no box is checked-- the entry form will be considered "incomplete" and therefore Invalid. Please pay careful attention to this new requirement when filling out your entry forms. If you need further clarification please read New AKC Jump Height Card Policy which is included in this premium**

**AGREEMENT**

I (we) agree that the club holding this event has the right to refuse this entry for cause which the club shall deem sufficient. In consideration of the acceptance of this entry and of the holding of this event and of the opportunity to have the dog judged and to win prizes, ribbons, or trophies, I (we) agree to hold the AKC, the event-giving club, their members, directors, governors, officers, agents, superintendents or event secretary and the owner and/or lessor of the premises and any provider of services that are necessary to hold this event and any employees or volunteers of the aforementioned parties, and any AKC approved judge, judging at this event, harmless from any claim for loss or injury which may be alleged to have been caused directly or indirectly to any person or thing by the act of this dog while in or about the event premises or grounds or near any entrance thereto, and I (we) personally assume all responsibility and liability for any such claim; and I (we) further agree to hold the aforementioned parties harmless from any claim for loss, injury or damage to this dog.

Additionally, I (we) hereby assume the sole responsibility for and agree to indemnify, defend and save the aforementioned parties harmless from any and all loss and expense (including legal fees) by reason of the liability imposed by law upon any of the aforementioned parties for damage because of bodily injuries, including death at any time resulting therefrom, sustained by any person or persons, including myself (ourselves), or on account of damage to property, arising out of or in consequence of my (our) participation in this event, however such, injuries, death or property damage may be caused, and whether or not the same may have been caused or may be alleged to have been caused by the negligence of the aforementioned parties or any of their employees, agents, or any other persons. HOWEVER, PRIOR TO ARBITRATION ALL APPLICABLE AKC BYLAWS, RULES, REGULATIONS AND PROCEDURES MUST FIRST BE FOLLOWED AS SET FORTH IN THE AKC CHARTER AND BYLAWS, RULES, REGULATIONS, PUBLISHED POLICIES AND GUIDELINES.**

**INSTRUCTIONS**

Handlers may opt to enter in a higher **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs enrolled in the **AKC Canine Partners™** program may be eligible to enter all-breed AKC agility trials at the club's option effective April 1, 2010. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

**Junior Handlers** should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 816-3776. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? \_\_\_\_\_

I CERTIFY that I am the actual owner of the dog, or that I am the duly authorized agent of the actual owner whose name I have entered above. In consideration of the acceptance of this entry, I (we) agree to abide by the rules and regulations of The American Kennel Club in effect at the time of this event, and by any additional rules and regulations appearing in the premium list for this event, and further agree to be bound by the "Agreement" printed above on this entry form. I (we) certify and represent that the dog entered is not a hazard to persons or other dogs. This entry is submitted for acceptance on the foregoing representation and Agreement. I (we) agree to conduct myself (ourselves) in accordance with all such Rules and Regulations (including all provisions applying to discipline) and to abide by any decisions made in accord with them.
